

# Marking October 7<sup>th</sup>

**Jewish Federation**  
of South Palm Beach County

We invite you to join us for a Zoom webinar marking two years since the devastating attacks of October 7, 2023. Together, as a community, we will remember the innocent lives so tragically taken and honor the unbreakable spirit and resilience of the Jewish people. We will be joined by October 7th survivors, whose voices carry both pain and extraordinary strength, as we pay tribute to our beloved partnership communities of Zichron Yaakov and Kibbutz Ein Hashlosha.

**Thursday, October 16, 2025**

**9:00 am**

**Special Guests:**

**Jacki Alexander, CEO and President, HonestReporting  
joined by an October 7th Survivor**
